Annual Report 2025-26

It is with pleasure and pride that I place before you the report of our Foundation along with the Audited Financial Statements as on March 31, 2026. There is tremendous satisfaction in seeing the manner in which our Foundation has evolved into one of the finest not-for-profit organisations in its domain of operations. The year that went past saw us continuing to deliver a bouquet of services to the needy around us and also seeing some significant enhancements to our facility to serve even more. This was also a period when we launched the work on the expansion of our centre by having a new building, by organising a public event – Santhwanam SREEragam.

Annual General Meeting 2025

The last AGM of the Foundation was held on August 20, 2025 at Carreo Business Centre, Panampilly Nagar, Kochi, and was conducted in hybrid mode, The meeting was attended by 31 members in person and 10 members via Zoom. The General Body held detailed discussions on ongoing activities and new projects. In addition to statutory matters, several important decisions were taken to guide the Foundation's growth in the coming year.

The General Body unanimously elected the following Office Bearers for the year 2025–26:

1. Dr. Junaid Rahman – President
2. Mr. K. V. Narayanan Kutty – Senior Vice President
3. Mr. R. Madhav Chandran – Honorary Secretary
4. Mr. Mathew Joseph – Treasurer

It was then proposed to select the Governing Council (GC) Members for the year by allowing members to voluntarily propose their own names, to ensure genuine interest, commitment, and availability. The AGM approved the process, and the following members volunteered to serve on the GC for the year 2025–2026, including a few who had already communicated their consent to be part of the GC, in addition to the four Office Bearers as mentioned above:

5. Dr. C. M. Radhakrishnan
6. Mr. J. Paul Raj
7. Mr. Binesh Sukumar
8. Mr. S. Rajmohan Nair
9. Mr. Dinesh Thampi
10. Mr. Vivek Krishna Govind
11. Mr. Saji Chandran
12. Mr. K. K. Vijayan
13. Mr. Jose Cyriac
14. Mr. Antony Thomas
15. Dr. Binnu Joseph
16. Mr. V. Damodaran
17. Ms. Deepa Saji
18. Mr. Dinesh M. Varrier
19. Adv. George Thomas
20. Mr. L. M. Jacob
21. Mr. Jayasankar P. G
22. Mr. John George
23. Mr. Kartha C. S.
24. Ms. Manju Mariam
25. Ms. Mary George
26. Mr. Mohandas V. S
27. Mr. Mylsamy Ramasamy
28. Dr. Prakash Chandran
29. Mr. Prasad K. Panicker
30. Mr. V. T. Raphael
31. Dr. Reji K. Thattampurath
32. Mr. Sebastain T. P
33. Dr. Shaji Ayillath
34. Ms. Shanthi Suresh
35. Mr. Sharin Peethambar
36. Ms. Sujata Madhav Chandran
37. Mr. Suresh K. Nair
38. Ms. Susie Paul
39. Mr. Tom P. Joseph
40. Mr. Tomy Zachariah
41. Prof. A. Vijayakumar

The following were named as Advisors to advise the Governing Council on relevant activities during the year:

1. Mr. V. Sathyanarayanan
2. Mr. Thomas Joseph
3. Mr. Salil Gupta
4. Mr. Vinu C. Verghese

The following leaders of Rotary District 3205, who are also members of the Foundation, were co-opted to the GC as Special Invitees, to support and monitor all Rotary-linked initiatives undertaken by the Foundation:

1. Dr. G. N. Ramesh
2. Mr. R. Jayasankar

The following Medical Advisors were requested to advise the Governing Council on relevant activities during the year:

1. Dr. Arun Warrier
2. Dr. Binu Upendran
3. Dr. Mohanan Nair
4. Dr. K. M. Ramesh Nair
5. Dr. Sunil K. Mathai
6. Dr. Vijayakumar D. K

The Governing Council later met and appointed the following Executive Committee for the year:

President	**: Dr. Junaid Rahman**
Senior Vice President	**: Mr. K. V. Narayanan Kutty**
Vice Presidents	**: Dr. C. M. Radhakrishnan**
	: Mr. J. Paul Raj
	: Ar. Binesh Sukumar
	: Mr. S. Rajmohan Nair
	: Mr. Dinesh Thampi
Honorary Secretary	**: Mr. R. Madhav Chandran**
Treasurer	**: Mr. Mathew Joseph**
Joint Treasurer	**: Mr. Vivek Krishna Govind**
Joint Secretaries	**: Mr. Saji Chandran**
	: Mr. K. K. Vijayan
	: Mr. Jose Cyriac

Meetings

During the year under reference the Executive Committee and the Governing Council members met periodically at various instances to discuss and review various activities and decide on the way forward.

Membership

Members are the lifeline of our Foundation. We have currently 5 categories of members – Patron Member, Corporate Member, Benefactor Society Member, Ordinary Life Member and Sustaining Member.

Patron/ Corporate Patron paying Rs. 5 lakhs, Corporate Member/ Benefactor paying Rs. 1 lakh and Ordinary Life Member paying Rs. 10,000 as donation to the Foundation while enrolling as members. Benefactor Society Membership is given when a Benefactor member commits to pay either Rs. 1 lakh every year or Rs. 10,000/- every month as a confirmed donation, he will then be called as a Benefactor Society Member and his/her name will be displayed at the Cancure Centre in a special board and with an option to dedicate the membership in memory/ commemoration of a person(s) or a brand. In addition to these regular members of the Foundation with full voting rights, we also have the Sustaining Member who makes a commitment to pay a minimum monthly contribution of Rs. 500 or an annual contribution of Rs. 6,000 or more. Though they are part of the Foundation and are kept in touch regarding the activities and developments, they do not have voting rights.

We continued to follow strict guidelines of ensuring unanimous acceptability among existing members before inviting probable individuals/corporates to become members of the foundation, and based on a no- objection from all existing members only all these members were added. This has ensured that all our members are of impeccable stature and standing in the society and are the real assets of our Foundation. Currently we have 378 members including newly added 39 life members and 12 benefactor society members (making its total count to 45) since we held our last AGM. The large spike in the number of new members is attributed to the public event we held to announce our new project as well as commemorating the 5th anniversary of Santhwanakendram. We had our Vice President Dr. C. M. Radhakrishnan enrolling his wife also as a Benefactor Society Member and all his family members as our Life Members. This year we had all the 3 children of our Advisor and Benefactor Society Member CA Thomas Joseph – Mrs. Ann Mary Thomas, Mr. Deepak Jolly & Mr. Joseph Thomas joining us as Benefactor Society Members committing Rs. 1 lakh each per year. So did the daughter of our Patron member Mr. Lava and Mrs. Dharini Lava of SFS Homes, Ms. Tejaswi Lava, as well as the son of our Vice President Mr. S Rajmohan Nair, Mr. Arunmohan. Father son duo CA Thomas A. George and Mr. Sandeep George also joined as Benefactor Society Members during the year. Many close relatives of our Honorary Secretary too joined in as members this year. We also have 86 Sustaining Members as on date.

Activities at the Foundation

Rotary Cancure Lourdes Dialysis Centre

Since the launch of operations in February 2021, our Dialysis Centre has successfully completed 17,250 free dialysis sessions, surpassing the milestone of 17,000 sessions on July 29, 2026. The Centre operates in 2 shifts starting at 7.00 am on all 6 days of the week and is presently catering to 33 regular patients. Although a subsidized fee of Rs. 350/- per dialysis is permitted as per the agreement with Rotary, considering the severe financial strain faced by most of our patients, we continue to provide almost all sessions completely free of charge. One patient, on his own request, has opted to contribute Rs. 350/- per session, while all the remaining patients receive dialysis free of charge.

During the financial year 2025–26, we paid Rs. 34.4 lakhs to Lourdes Hospital towards their medical and technical support. As the dialysis machines have completed their warranty period, we have continued the payment of Rs. 1.5 lakhs towards their Annual Maintenance Contract (AMC) during the year. We are grateful to M/s. Fresenius Medical Care, the manufacturers of the dialysis machines, for offering a special AMC rate based on our request. As per our agreement with Lourdes Hospital, Cancure pays Rs. 825/- per dialysis session, and the total amount paid till date towards their continued support has now increased to approximately Rs. 1.44 crores. The Centre continues to operate from Monday to Saturday, strictly adhering to all safety protocols, and without break even on national or festival holidays. It is noteworthy to mention that operations have remained completely uninterrupted since inception. The total expenditure incurred for dialysis services alone during 2025–26 was Rs. 56.7 lakhs. The Centre now operates at its near full capacity.

With the new rules being brought in by the Government, we have initiated the process of registration under the Clinical Establishments Act, in line with the requirements for private dialysis centres. Our President Dr. Junaid Rahman is taking the lead in guiding our team to complete this process at the earliest.

Additional machines donated by M/s. Polycab: In addition to the 5 new machines donated by Rotary Club of Cochin Central, we are grateful to M/s. Polycab for the donation of three more dialysis machines, thus making the total number of machines at our centre to 16.

Cancure Santhwanakendram - Palliative Care Centre

The Palliative Care Centre which started in March 2021 with just 3 inmates is currently functioning with 31 inmates – all of them bedridden or terminally ill patients referred by the General Hospital, Ernakulam. A total of 206 patients has been registered at the Centre till date, of whom 82 patients have been discharged and 93 patients have passed away. During the year under report, 23 patients expired at our center and 11 patients got better with our proper care and were discharged. Cancure directly pays or reimburses the day-to-day operational expenses including food, electricity, water, and maintenance on a monthly basis. During the year of reporting, we paid over Rs. 24 lakhs towards food expenses and another Rs. 8.40 lakhs for other expenses towards palliative care.

The palliative care activities are being effectively carried out by the team led by Mr. K J Peter and his Jeramiah's Home & Bertoni Palliative Care, a charitable trust that has entered into an MoU with Cancure. The support team consists of 15 well-trained staff members who provide holistic care to the inmates and are available 24X7 at the centre. Doctors from the General Hospital conduct rounds to check on the patients' conditions, and our duty doctor at the dialysis centre also monitors the palliative care inmates when needed.

Cancure Santhwanakendram continues to be considered as a role model for a well-run palliative care centre in this part of the world.

Special Days commemoration at Santhwanakendram

Many members and well-wishers continued the meaningful tradition of marking their special days—birthdays, anniversaries, and memorials—by supporting a day's dialysis or food expenses at Santhwanakendram. This thoughtful initiative, first ideated by our Benefactor Society Member Mr. Gokul Das, has grown steadily over time. Many members and our well-wishers now opt to sponsor a day's meals or a day's Dialysis support to commemorate the special days of their departed dear ones. Like in the earlier years, our Vice President & Benefactor Society Member Dr. C. M. Radhakrishnan celebrated his birthday with breakfast and cake along with our inmates and team, and his family generously supported the day's food and dialysis expenses on that day as well as on many days. Ms. Avni Das, daughter of our Benefactor Society Member Mr. Gokul Das chose to celebrate her birthday this year too by supporting our activities. Our founder member Dr. Nandini Nair too celebrated her birthday by making a contribution for the day. Members Mr. Mylsamy Ramasamy, Mr. Gokul Das, Dr. C. M. Radhakrishnan and a few others made auspicious contributions on New Year Day. The MSP Group sponsored a day's food in memory of their founder Shri. Radhakrishnan, who played a vital role in conceiving the Rotary Dialysis Centre project. One of our non-member and regular supporter Mr. Renjith Jose again commemorated his father's anniversary by supporting our expenses for the day. Our Jt. Secretary Mr. Jose Cyriac commemorated his father's demise day, Mrs. Vijayasree Prasannakumar her husband's death anniversary, Mr. Sujesh Sathyan his mother's demise, and Mrs. Deepa Saji and Ms. Mary George fondly remembered the special days of both their parents, by supporting the days' expenses.

On such commemorative days, a photo or dedication is displayed on the LED screen at Santhwanakendram, followed by a collective prayer and a shared meal with the inmates and staff. We also display the photos of the departed souls of the relatives of our Benefactor Society Members, in whose memory they are contributing substantially year after year to support our operations, and pray for them. We sincerely thank all those who thought of Santhwanakendram on their special days and supported our cause through their generosity and presence.

We have continued to celebrate important occasions such as Onam and Christmas, as well as significant milestones of the Foundation, together with our inmates and staff. Onam 2025 celebration, was marked by a special lunch gathering hosted by our Vice President Dr. C. M. Radhakrishnan along with members of IMA Parur and Rotary Club of Parur. The occasion brought together visitors, volunteers, and our patients in a warm and festive atmosphere. Our dedicated staff team created a beautiful pookkalam, while a delicious Onam sadya prepared in our kitchen was shared with everyone present. The celebration became even more memorable with songs and interactions from the visiting members as well as our patients and inmates, making the day truly lively and heartwarming. Several Governing Council members including Mr. Jose Cyriac, Mr. Jayasankar, Adv. George Thomas, Mrs. George Thomas, Mr. Paul Raj, Ms. Susie Paul, and Mr. Saji Chandran were present to celebrate Onam with the patients and staff at the centre. The event reflected the true spirit of Onam — togetherness, sharing, and compassion, bringing smiles to everyone at Cancure Santhwanakendram.

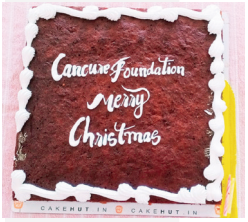

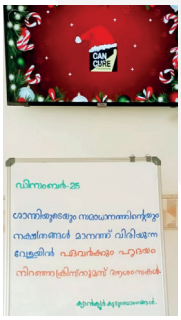

On 28th August 2025, Cancure Foundation was honoured with a special recognition on the occasion of Ayyankali Jayanthi. The award was received by our GM Mr. K. L. Paul from the local MLA, Mr. K.N. Unnikrishnan marking a proud moment for our entire team. The recognition, presented as a memorial shield in the name of Devaki Raman, mother-in-law of our Joint Secretary Mr. K. K. Vijayan, stands as a tribute to our continued efforts in serving the underprivileged with care and compassion.

Christmas was celebrated with warmth and joy at Cancure Santhwanakendram, bringing together our staff and well-wishers in a festive spirit. The celebration included a ceremonial cake cutting and a special Christmas lunch for our staff team. We were honoured by the presence of Mr. Basshyam, owner of MN Fabrics and MN Fashions, who cut the cake and shared the festive joy with us. The gathering reflected the true spirit of Christmas — gratitude, togetherness, and compassion — that continues to define the Cancure family.

Santhwanakendram proudly celebrated Republic Day by unfurling the national flag at the centre, reaffirming our commitment to service and compassion. The ceremony was led by Bro. K. J. Peter of the Palliative Care Centre, along with our Joint Secretary Mr. K. K. Vijayan, and the entire team under the leadership of GM Mr. K. L. Paul. The day became even more special with a soulful musical performance by our beloved 'celebrity' inmate Dominic Chettan, whose singing added warmth and joy to the occasion. The day was further marked by the visit of a few potential donors, and we were delighted that Ms. A. Nirmala chose the occasion to support us and also submit her membership request as Benefactor Society Member.

In the lead-up to the public event - Santhwanam Sreeragam, renowned singer Shri. M. G. Sreekumar visited Cancure Santhwanakendram on 1st October 2025, marking a meaningful beginning to his association with Cancure Foundation. During his visit, he expressed his willingness to support our initiatives, and this interaction served as a preliminary step towards what later became a memorable occasion. He was received by our Senior Vice President Mr. K. V. Narayanan Kutty, Vice President Mr. S. Rajmohan Nair, Honorary Secretary Mr. R. Madhav Chandran, Joint Secretary Mr. Saji Chandran, GC Member Mr. Sharin Peethamber, and Benefactor Society Member Mr. Vimal Andrews.

Independence Day 2026 was commemorated befittingly by hoisting the tricolor at the centre. Our Jt. Secretary Mr. K.K. Vijayan, Br. K.J. Peter and our GM Mr. K.L. Paul lead the celebrations in the presence of our staff, Lourdes and Palliative Care staff as well as our patients and bystanders.

‘Rotary For Her Cure: Mathruraksha’ – project supporting Breast Cancer patients

The Rotary Mathruraksha Project, launched in February 2022 by Rotary Club of Kochi United in partnership with AIMS, continues to provide timely surgical and follow-up care for underprivileged breast cancer patients. Under the scheme, Rotary supports treatment expenses up to ₹1,00,000 per patient, with additional costs, if any, covered by AIMS. As of now, 97 patients have been referred through AIMS, and 75 patients have been formally included under the project.

Cancure functions as the coordinating agency between Rotary District, Rotary Kochi United, and AIMS. Our team conducts detailed socio-economic verifications, household visits, and documentation to identify genuine beneficiaries, regardless of their location. Each approved patient receives full coverage for breast surgery, chemotherapy, and radiotherapy. We gratefully acknowledge the ongoing commitment and expertise of our Medical Advisor and Head of Department at AIMS Kochi, Dr. D. K. Vijayakumar, whose role has been instrumental in the success of this initiative.

We are pleased to report that a new project approval has been received from Rotary Club of Kochi United to support an additional 50 patients, further strengthening our efforts to extend timely and comprehensive breast cancer care to those in need.

Repair & Maintenance works executed

During the year, several essential repairs, maintenance and infrastructure-related works were carried out at our Center. The total expenditure incurred towards repair and maintenance was approximately Rs. 4 lakhs. These works were undertaken to ensure the smooth, safe and uninterrupted functioning of our Center.

The Foundation also purchased a new incinerator to replace the old one that completed its lifespan, as part of its continued efforts to strengthen the facilities and maintain appropriate standards of safety and waste management.

We extend our sincere thanks to the Governing Council members and those who oversaw and guided these activities, ensuring that the necessary works were carried out efficiently and without affecting the day-to-day operations of our Center.

Santhwanam SREEragam

Santhwanam SREEragam - a special musical evening featuring renowned playback singer Mr. M. G. Sreekumar, was one of the major highlights of the year. Held on 17 January 2026 at Gokulam Park Convention Centre, Kochi, the programme was organised as a fundraising initiative to commemorate the 5th anniversary of Cancure Santhwanakendram and to garner support for the Foundation’s new initiative, the ‘Cancure Care’ Centre.

The evening was attended by nearly 1,000 invited guests and featured Ms. Mridula Warrier and other accomplished artistes along with Sri. M. G. Sreekumar. The programme received an overwhelming response and was widely appreciated by the audience.

Santhwanam Sreeragam was not only a night of musical bliss, but also a celebration of Cancure's purposeful journey of the last 5 years. We proudly commemorated 5 years of uninterrupted functioning of our services at the Cancure Santhwanakendram since its opening in 2021. Within these 5 years crossing a monumental milestone of over 15,000 free dialyses provided to underprivileged patients became a testament of the unwavering dedication of our team, volunteers, and supporters. Brief video presentations were made to explain the evolution of Cancure into what it is currently since its inception way back in 2007.

The event received generous support from several well-wishers and corporate partners, including Mr. M. Basshyam of MN Fabrics & MN Fashions, Aster DM Healthcare, South Indian Bank, Bank of Baroda, Life Insurance Corporation of India, and Acumen Capital Market India Pvt. Ltd. The programme also provided our members an opportunity to introduce Cancure's activities to their acquaintances and garner support through donor passes.

The programme generated Rs. 19.8 lakhs in special programme donations, against Rs. 18.8 lakhs in programme expenses. While the programme was not primarily aimed at generating a financial surplus, its success was reflected in the excellent participation, increased visibility for the Foundation, generous support received, and the addition of a large number of new members joining us, following the event.

We place on record our sincere gratitude to Sri. M. G. Sreekumar, Ms. Mridula Warrier, all the artistes, sponsors, donors, members, volunteers and well-wishers who contributed to making Santhwanam SREEragam a memorable and successful programme and an important milestone in our efforts to support the 'Cancure Care Centre.'

Cancure Care Centre – Project Expansion

The 'Cancure Care Centre', our ambitious project for the expansion of the Santhwanakendram, has now entered the construction phase following the foundation stone laying ceremony held on 23 April 2026. We had Justice Devan Ramachandran of the Kerala High Court doing the honours in the presence of a large number of our patrons, donors, members and well-wishers. The new building is planned to increase our facility to 100 beds for palliative care and 25 beds for dialysis patients, significantly enhancing the Foundation's capacity to serve those in need.

We are pleased to report that substantial progress has already been made at the site. The existing structures and debris have been removed, the ground has been readied, and the labour shed and storage facilities have been constructed. Piling works have been completed, and a new borewell of 82 metres depth has been constructed.

Significant progress has also been made in securing sponsorship for the project. An MoU has been signed with Bharat Petroleum Corporation Limited (BPCL) for the sponsorship of the ground floor, while an MoU has also been signed with Kerala State Industrial Development Corporation (KSIDC) for the sponsorship of the first floor.

Our founder members and patrons Mr. Salil Gupta and Mrs. Smitha Gupta had already confirmed sponsoring the third floor. No words to thank them as they continue their legacy of sponsoring the ground floor of the existing building and also committing this support for the new building as soon as we decided on its conception.

Discussions are continuing with Life Insurance Corporation of India (LIC) regarding the sponsorship of the second floor in the name of their Golden Jubilee Foundation.

In addition, one of our senior members has committed Rs. 1 crore towards the part funding the construction cost of the project. The palliative care section will be named after his Foundation once completed. The Governing Council places on record its sincere gratitude for his passion and commitment towards this important initiative.

The project is progressing in full swing, and we look forward to the continued support of our members, well-wishers, individuals and corporate partners in taking the 'Cancure Care Centre' towards its successful completion. Special words of appreciation and gratitude are due to to Ar. Binesh Sukumar, Mr. J. Paul Raj and Mr. Saji Chandran for their sincere efforts and active involvement in the project conception and execution.

Donations from good hearts – Our lifeline to go on with our good work

We continue to receive valuable support from our members, donors and many well-wishers on a regular basis. The contributions from our Benefactor Society Members (BSM) remain an important source of strength for the Foundation and help us maintain the smooth flow of funds required for our ongoing activities. We place on record our sincere gratitude to all our members for their continued commitment and support.

Among the major contributors during the year, **Indigo Paints** extended a valuable contribution, making it one of the leading supporters of the Foundation during the year. We place on record our sincere gratitude for their continued confidence in our activities and their contribution towards our service initiatives.

Alongside his company Indigo Paints, our Sr. Vice President Mr. K. V. Narayanankutty continued to make substantial contributions in his name and in the name of his Foundation – Sudha & Narayanankutty Foundation. We sincerely appreciate his invaluable contribution and inspiration that guides Cancure Foundation.

MD Mineral Technologies Pvt. Ltd., a subsidiary of Downer Group of Brisbane Australia contributed a large part of their CSR funds towards the Foundation's operational activities. We place on record the sincere efforts put in by our member CA Viju Mathew in securing this support.

UST Global Welfare Foundation continued their support towards our service activities through their CSR funds this year too. We gratefully acknowledge their continued association with the Foundation over the past 4 years.

K. Chittilappilly Foundation supported us this year too like earlier years. We expect more such support from them in the coming years.

SFS Homes & Mr. Lava continued their support during this year too with a significantly large contribution. We place on record our gratitude for their continued support and confidence in the work of Cancure Foundation.

Abad Builders and Dr. Najeeb Zackeria have been constant supporters and they contributed significantly during this period.

Our sincere gratitude to **Amcos Paints** and its Managing Director Mr. Hari Sukumaran Nair for considering us to contribute their CSR funds during this financial year. With a special approval, M/s. Amcos Paints now contributes a fixed amount every month to fund our operations. It has been a great blessing to our operations to provide services to poor and needy renal and palliative care patients.

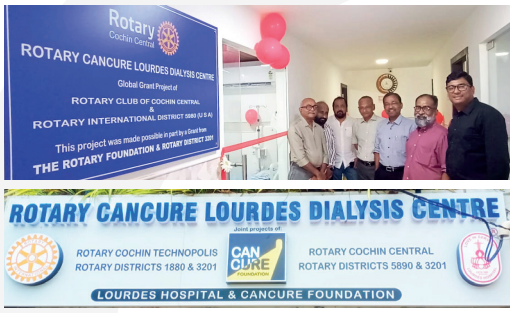

Acumen Capital Market India Ltd. became a Corporate Patron during the year and also supported the MG Sreekumar event. Thanks to our founder members Mr. Akhilesh Agarwal and Mrs. Rekha Agarwal as well as the Managing Director of Acumen Group Mr. Akshay Agarwal for the gesture.

Zwagg Fitness Studio continued their support to Cancure Foundation through their annual awareness and fund-raising initiative, "Pink Party." The event, organised as a vibrant dance cardio masterclass, helps spread awareness about the early detection and prevention of cancer while supporting our activities. Our special thanks to Ms. Poornima Viswanathan, Founder of Zwagg Fitness Studio and one of our newest Life Members, for making Cancure their charity partner and for her passionate commitment to our cause over the past several years.

Small gestures like readily sponsoring the pump for our new borewell by our Life member Mr. Arun Das inspires us to continue the noble deeds.

AVT McCormick Ingredients Pvt. Ltd. Was among our supporters during the year, for which we express our sincere gratitude and appreciation.

We also received Rs. 1.79 lakhs through patient contributions during the year. Though modest in comparison with institutional donations, these contributions are deeply meaningful to us as they reflect the spirit of participation and gratitude from our beneficiaries and their families.

Rotary Club of Cochin Central

During this year, additional 5 dialysis machines and related equipments were donated by the **Rotary Club of Cochin Central** as part of a Rotary Foundation project with a value of ₹44.24 lakhs. Our sincere thanks to members of this Rotary Club lead by Mr. KV Narayanan Kutty, Mr. S Rajmohan Nair, CA V. Sathyanarayanan, Mr. Joseph P. Alex, Mr. Dinesh Warrier & many others who took the initiate to get this project done.

Further strengthening the facility's capacity, 3 more dialysis machines were generously donated by leading cables manufacturer - **Polycab** through their Social Welfare Foundation with a value of ₹23.33 lakhs. Special word of gratitude to our Life Member Mr. Antony Thomas and the erstwhile head of Polycab Kerala Mr. Sebastian Madathumpady for this kind gesture of including Cancure in the CSR list of M/s. Polycab. We expect more support from M/s. Polycab in the coming months.

POLYCAB
IDEAS. CONNECTED.

Another important source of support was the **Ernakulam District Panchayath Grant**, through which the Foundation received Rs. 14.10 lakhs towards assistance for eligible dialysis patients of Ernakulam District. This support has provided valuable financial relief to economically disadvantaged patients and helped strengthen our efforts to ensure continuity of dialysis treatment for those in need.

During the month of July, seven **Rotary Clubs** visited Cancure Foundation as part of their District priority —Rotary Clubs of Cochin Downtown, Cochin Smart City, Cochin Technopolis, Rotary Club of Cochin Central, Cochin Heritage, Royal Heritage–Paravur, and Kalamassery - and made generous contributions in support of our activities. We thank all the Rotary Club officials for the kind gesture.

When the DP World operated **Nhava Sheva (India) Gateway Terminal Private Limited** of Navi Mumbai approved a one-year support of part-funding our expenses for providing free dialysis services, it became another acknowledgment of the true credibility and accountability of our Foundation. While many corporates come forward to support capital expenses through their CSR funds, it is rare that a major corporate funds the operational expenses. We profusely thank Mr. Jibu K. Itty, Director & CEO of the Nhava Sheva Port for his faith in us, and also Mr. Bosco D'Silva the CSR Head at DP World for conducting the project visit and due diligence studies before approving our request.

DP WORLD

We gratefully acknowledge the support of all our members, corporate partners, foundations, institutions, donors and well-wishers who have stood with Cancure Foundation during the year. Their continued faith in our work enables us to sustain our existing services and move forward with new initiatives, particularly the 'Cancure Care Centre'. We solicit more such noble hearts to come forward and be a part of this mission. The opportunities for partnership in this project are as below:

- Platinum partners - ₹ 50 lakhs
- Gold partners - ₹ 25 lakhs
- Silver partners - ₹ 10 lakhs

The names or brands with logos of all such partners will be etched prominently in the new project building. All members are hereby requested to use your influence and efforts to mobilise these funds through your own sources or through your known contacts so that we can complete the project as we have done in the past.

Support by our bankers - Bank of Baroda

Our banker, Bank of Baroda, continues to extend their support by providing an exclusive payment gateway for receiving donations to Cancure Foundation without any service charges. We extend our sincere thanks to Life Member Mr. Mohandas and the officials at the bank's branch for facilitating this valuable service.

Tax exemption from Government of Kerala

We continue to benefit from the tax exemption granted by the Government of Kerala, which covers both our building and the annual taxes on our vehicles. Additionally, we receive subsidized electricity tariffs through the support of KSEB, which has been a significant relief given the high-power consumption of our medical equipment. Efforts are also underway to secure a similar concession for our water charges, which form a considerable part of our operating expenses.

Eligibility for raising CSR Funds as recognized by MCA

Cancure Foundation is registered with Ministry of Corporate affairs vide Registration Number CSR00002427 and duly eligible to receive CSR funds from corporate houses.

MINISTRY OF CORPORATE AFFAIRS

Upcoming Projects

Karuthal Cancer Screening Camps

Rotary Club of Cochin Downtown has proposed reviving our 'Karuthal' Early Cancer Detection and Prevention Camps, along the lines of the camps previously conducted by Ernakulam General Hospital. The Club has three Oncologists—Dr. Mohan Nair, Dr. Arun Warrier and Dr. Varun, with the first two serving as Medical Advisors of the Foundation. With the support of other Medical Advisors, including Mr. Vijayakumar and Dr. Shaji Ayillath, it was felt that similar camps could be organized effectively. The proposal was discussed in our GC during the year and it was agreed to pursue the initiative and organize a Karuthal camp at the earliest.

Rotary Cancure Dialysis Centre – Haripad

Rotary Club of Haripad has expressed interest in establishing a dialysis center at their clubhouse in Haripad. Club representatives visited our center to understand the operations and requirements.

The Club is expected to revert with their detailed proposal and plans regarding the feasibility of establishing a Rotary Cancure Dialysis Centre at Haripad. The GC during the year expressed support for proceeding with the proposal, subject to receiving the Club's response, after which an appropriate course of action would be decided.

Secretariat Appointments

Our Secretariat now has General Manager Mr. Paul K. L., Asst. Manager - Ms. Simi Josy, Mr. Unni Joji, Ms. Sanghta Xavier as Program Coordinators, Ms. Anna Catherine as Asst. Coordinator, Mr. Benson as Office Assistant and Ms. Jeemol Jude & Ms. Sandhya Devi as housekeeping staffs & Mr. Ruby Antony as Project Coordinator. We also have Dr. Nishanth Krishnan as the full-time doctor at the center.

Auditors

M/s. Subi Joy & Associates was appointed as auditors for the period of report and they have done a meticulous work in auditing our accounts and presenting the same before our members here. We place on record our gratitude to our auditors as well as to the entire staff members of our Treasurer Mr. Mathew Joseph for their inputs and efforts in doing a complete and comprehensive task with all the statutory compliances and reporting being taken care of.

Conclusion

As I conclude, on behalf of the members of the Executive Committee and the Governing Council, I extend my heartfelt gratitude to each and every member who has supported the various activities of the Foundation with dedication and goodwill. I wish to place on record my sincere appreciation to our President Dr. Junaid Rahman for his leadership, and Sr. Vice President Mr. K. V. Narayanan Kutty for his sincere commitment, passion and thoughtful guidance all throughout. Vice President Dr. C. M. Radhakrishnan has been an inspiration always and visits the center and patients regularly and celebrates his special days there. My thanks also go to other Vice Presidents Ar. Binesh Sukumar, Mr. J. Paul Raj and Mr. S. Rajmohan Nair, for their invaluable support, Advisors CA Thomas Joseph, CA V. Sathyanarayanan and Mr. Vinu C. Verghese as well as to Joint Secretaries Mr. K. K. Vijayan, Mr. Saji Chandran and Mr. Jose Cyriac for their steadfast assistance whenever the need arose. Dr. Binnu Joseph, Mr. P. G. Jayasankar, Mr. Antony Thomas are among the GC members to be specially remembered, who were constantly trying various avenues to garner support for our activities. We also profusely thank Mr. Sharin Peethambar, our GC Member, who has been magnanimous to offer this meeting place for all our meetings free of charges and also sponsor all the related expenses throughout the year. We place our gratitude to our Life Member Ms. Mary George and her team UPMA for the creative posters they made for all our special days. We are equally indebted to every donor, both from within and outside Cancure Foundation, whose generosity has enabled us to continue our mission of serving the needy.

The Secretariat team led by Mr. K. L. Paul deserves special mention for carrying out our mission with passion, dedication, and sincerity. They now work as a well-oiled machinery to execute all the instructions of the various Committees and the GC. We are grateful to the various Rotary Clubs, officials of Rotary District, and our local partners for their cooperation and encouragement. Our heartfelt thanks also go to the medical team from Lourdes Hospital for their active role in the daily operations of the Dialysis Centre, and to the teams from General Hospital and Amrita Institute of Medical Sciences for their continued support in patient care. We also place our gratitude to the team at M/s. Binesh Sukumar Architects & Planners, Kochi as well as to Mrs. Nimitha and Mr. Sujesh Sathyan of M/s. V Soins Consultants Pvt. Ltd.

The coming year holds special significance as we complete the construction of the new building, enabling us to extend our reach to a wider section of society. We are also thriving to garner regular support for sustaining our operations without any difficulty. Achieving these will require a united and determined effort from all of us, as well as the support of many well-wishers and our partners.

I convey my best wishes to the incoming committee and office bearers for success in their endeavours to take Cancure Foundation to even greater heights as an institution deeply rooted in the values of ethics, integrity, transparency, and accountability.
