ANNUAL REPORT

It is with great pride and pleasure we present the Annual report of the Foundation for the year 2020-21.

The Annual General Meeting of the Foundation for the year ended as at 31st March 2021 was held on

30th September 2021 at the Carreo Business Centre, Panampilly Nagar, Kochi.

Though the year 2020-21 was marred with unprecedented situations created by the pandemic and the related issues and restrictions, with the support and guidance of a strong and vibrant Executive Committee and a Governing Council we were able to have a fulfilling year and further the cause of the Foundation.

The General Body re-elected the following members to the Executive Committee for the year 2020-2021 during the 6th Annual General Meeting of the Foundation which held on 30th September 2020 at KMA Hall, Panampilly Nagar, Kochi.

President

: Mr. Thomas Joseph

Vice Presidents

: Mr. J. Paul Raj

: Dr. C. M Radhakrishnan

: Mr. Benny Zachariah

: Mr. Vinu C. Verghese

: Ar. Binesh Sukumar

: Dr. Junaid Rahman

Honorary Secretary

: Mr. R. Madhav Chandran

Honorary Joint Secretary

: Dr. Anil Joseph

Treasurer

: Mr. Mathew Joseph

GOVERNING COUNCIL

Subsequently the Executive Committee met on 21st October 2020 and unanimously decided to reconstitute Governing Council for the year 2020-21:

Mr. Algiers Khalid, Mr. Dinesh Thampi, Dr. Prakash Chandran, Mr. E. P. George, Mr. John George, Mr. Prasad K. Panicker, Mr. Reji C. Kuriakose, Mr. Rahul Mammen, Mr. Salil Gupta, Mrs. Sujata Madhav Chandran, Mr. Vivek Krishna Govind, Mr. Santhosh M. Sunny,

Mr. Saji Chandran, Dr. Binu Joseph, Mrs. Susie Paul, AVM (Rtd) Dr. N. Vijayakumar, AVSM, VSM, Mr. K. P. Rajagopal

The Executive Council also co-opted Dr. C. N. Mohanan Nair, Dr. Shaji Ayillath as Medical Advisors and Dr. Ajay Kumar, Mr. R. Jayasankar and Mr. Rajmohan Nair as Special Invitees for the year 2020-21.

MEETINGS

During the year the Executive Committee and the Governing Council members met periodically at various instances though regular meetings were not possible due to the pandemic inflicted lockdown during the

entire year. WhatsApp discussions were the main mode of communication between members and the Executive Committee met regularly in a hybrid mode using physical and online platforms.

MEMBERSHIPS

Currently we have 4 categories of membership –Patron/Corporate Patron, Corporate Member, Benefactor and Ordinary Life Member :

Patron/ Corporate Patron paying Rs. 5 lakhs, Corporate Member and Benefactor paying Rs. 1 lakh and Ordinary Life Member paying Rs. 10,000 as donation to the Foundation while enrolling as members.

Since the 6th Annual General Meeting, we have added 1 Patron Member, 5 Benefactor Members and 34 Life Members till now. We followed the strict guidelines of

ensuring unanimous acceptability of existing members before inviting the probable individuals/ corporates to become members of the Foundation, and based on a no-objection from all existing members only all these members were added. This has ensured that all our members are of impeccable stature and standing in the society and are the real assets of our Foundation. Currently we have 205 members including 21 Patron/ Corporate Patrons, 17 Corporate Members and 9 Benefactors.

BENEFACTOR SOCIETY MEMBERS

Saluting the Benefactor in You!

Your generosity is greatly appreciated as you have been at the forefront of lending a helping hand to the less fortunate and needy around you. Cancure offers you an even better opportunity to be a part of a continuous stream of support that you can provide to the underprivileged.

Become a Member of the Cancure Benefactor Society!

By committing a fixed contribution every month/year, you would be supporting the dialysis for a set of poor patients and thus adding more days to their lives. Through this generous act, you will, in turn, receive a legacy and a lifetime monument at the Cancure Santhwanakendram where your name will be engraved in golden letters as a 'Benefactor Society Member', as an integral part of the functioning of the centre. Along with that, the name and picture of your dear ones, if any, in whose memory you would like to dedicate this contribution, will also be displayed. What's more, we will commemorate 2 special days in your life – be it a memorial day(s) of your dear ones who are bereaved and/or any special day in your life, by lighting a lamp or candle and offering a prayer for their souls and by providing food and essentials to our inmates.

In order to recognize regular contributors who are supporting the Foundation on a continuous basis, one more category of membership is being proposed in this AGM – Benefactor Society Member. This would be a member, in addition to paying Rs. 1 lakh or more to join as member, continues to pay a minimum of Rs 1 lakh every year or Rs. 10,000 every month to the Foundation as donation. A series of measures will be done to recognize and honor such members who are strengthening the lifeline of the Foundation by ensuring a confirmed flow of funds every month. It is proposed to engrave their names (as well as the picture and names of the person(s) in whose memory the contribution is being made, if any) on a special ornamental board at the centre as Benefactor Society Members. We will also commemorate the memorial days of their dear ones, in whose memory they continue to contribute, by offering special prayers on their anniversary dates every year at the centre. AGM may consider and deliberate on this proposal.

Dr. C M Radhakrishnan submitting the first Benefactor Society Member registration form to R. Madhav Chandran, Honorary Secretary

" KARUTHAL" - EARLY CANCER DETECTION CAMPS (ECDC)

Karuthal, our signature project for medical camps has been continuing successfully and completed 86 camps so far covering 8079 participants till the camps were suspended due to Covid 19 pandemic since March 2020.

ECDC camps have always been received well and Karuthal has been a very successful initiative. We have been conducting these camps with the support of the Doctors and nursing staff of Ernakulam General Hospital. The camps continue to serve the general public ever since it started on February 04, 2016 and has become a benchmark in the conduct of early cancer detection camps. We look forward to resume the ECDC camps once the situation gets back to normal.

SUPPORT TO POOR PATIENTS - PATIENT SUPPORT SCHEME

Our medical support scheme for the economically backward patients has been continuing. We have been doing this help for the past 13 years. The support from our Pharma Partner, Maria Pharma by providing medicines at subsidized rates continues. Many more patients could be enrolled into various schemes of the Government at the General Hospital, Ernakulam, thanks to our close relationship with the committed and

well-equipped Oncology team there. We get enquiries regularly from many poor cancer patients and most of them are accommodated at the GH, Ernakulam. The Secretariat also contacts the patients supported by us at regular intervals to get updates on the status of their physical condition. We must thank the guidance and sincere efforts put in by our Medical Advisor Dr. Mohan Nair in this whole process since the beginning.

FOR HER CURE- MATHRURAKSHA

The Rotary International initiated special project in association with Cancure Foundation and AIMS Kochi to

provide treatment support to breast cancer patients is also in the anvil. This project titled 'Mathruraksha' has got delayed due to the pandemic, and once the project is launched, we will be able to guide more patients to get fully treated at AIMS with the financial assistance of Rotary. In its first phase 100 patients will be treated under the project. The project will use the strength of Cancure in conducting thorough socio-economic evaluation of beneficiaries to ensure that the most genuinely needy among the patients are selected for the project

MOBILE MAMMOGRAPHY UNIT AND 'ROTARY FOR HER CARE' CAMPS

Our Mammography Camps have been continuing successfully till these camps were suspended due to Covid 19 pandemic in March 2020.

We had conducted 68 camps so far and screened 2804 participants. 658 cases of these were referred for USG for further investigation. The services are being offered completely free of cost to all participants including the required USG at AIMS.

Since the Mammogram Camps are suspended due to pandemic protocols, we have entered into a new MoU with AIMS and Rotary International with a strategy to utilize the equipment in the current scenario as well as in the post-Covid situation when restrictions on physical contacts and camps will be there for a while, by conducting screening of the participants at AIMS itself on every Friday and Saturday (2 days) in a week. AIMS will be using our equipment for their patients also during

the other days, thereby putting our equipment to good use before its life ends. In return to the usage of the equipment, AIMS will now take care of the maintenance & operational expenses of the unit which was being done by our Foundation till now. District Governor of RID 3201, has already circulated the information on the new arrangement of Mammogram Screening with all the Rotary Clubs under the District and we expect to resume the screening very soon at AIMS itself. Individuals or group of persons can get registered for the screening through reference of Rotary Clubs or through our office to get screened on Fridays and Saturdays.

SANTHWANAKENDRAM DREAM TURNED TRUE !!

With great pride we announce our much-awaited dream projects turn into reality. Santhwanakendram - Rehabilitation & Palliative Care and Rotary Cancure' Lourdes Dialysis Centre have become operational since February 2021.

We laid the foundation stone of this big dream project of having our own centre on February 4th, 2017 on a World Cancer day. This game-changing initiative was mooted, conceived and inspired initially by our GC Members Mr. E.P George and Mr. J. Paul Raj. They were instrumental in securing us the land for the purpose and also tying up with Mr. Peter for the voluntary

services. We were able to complete the construction work with the support of many donors, especially Bharat Petroleum Corporation Ltd brought in by our GC Member Mr. Prasad K. Panicker and Adeeb & Shafeena Foundation brought in by our President Mr. Thomas Joseph as our Platinum Partners and our GC Member Mr. Salil Gupta. Mr. Salil Gupta's uninterrupted monthly contribution to the Foundation has been a great gesture of support and inspiration over these years. A total cash expenditure of Rs. 1,89, 28,925/- was incurred till the completion of Santhwanakendram. This is in addition to various materials, labour and other efforts sponsored by our own members and their contacts. The support by our Vice Presidents Mr. J Paul Raj, Ar. Binesh Sukumar, Mr. Benny Zachariah and our Joint Secretary Mr. Anil Joseph in personally overseeing the construction and other activities at site is invaluable. We also thankfully acknowledge - the timely intervention of our Life Members - Mr. Arundas, who infact was the key person in initiating our big ticket sponsors in 2007 for the Yesudas concert, in arranging the sponsorship of sanitary equipments through CERA Sanitaryware Ltd, and the required water pumps through Grundfos, Dr. C M Radhakrishnan in arranging almost all the electrical fittings like fans and LED lights, Mr. Benny Zachariah for coordinating with Jacsons Veneers & Panels for the free supply of wooden doors and Mr. Saji Chandran for personally overseeing the finishing works of the centre to perfection. Our members have been the source of inspiration in giving momentum for our activities all throughout and we expect the same to continue in times to come for the Foundation's future activities too.

ROTARY CANCURE LOURDES DIALYSIS CENTRE

BPCL Kochi Refinery deputed Mr. Philly Cherian, Deputy General Manager, BPCL Kochi Refinery as his emissary to attend the inaugural function. Shri. Navas Meeran, Chairman, Eastern Condiments Pvt. Ltd, Shri. E. P. George, Novelty Textiles and Shri. Sarath Krishnan MSP Retail Pvt. Ltd, who were instrumental in completing this project, conveyed their good wishes in absentia. Many of the Cancure Members, Rotary leaders, well-wishers and general public too attended the event

The Rotary funded Cancure Lourdes Dialysis Centre was officially inaugurated on the 6th of February 2021 by the then Honorable Speaker of Kerala Assembly, Shri. P. Sreeramakrishnan along with Rtn. Jose Chacko, Governor of Rotary District 3201 for the year 2020-21. The elegant event witnessed the presence of Shri. Hibi Eden, Member of Parliament, Shri. S. Sharma, former MLA, Adv. Anil Kumar, Mayor of Cochin, Fr. Shaiju Augustine Thoppil, Director & CEO, Lourdes Institutions, Smt. Laila Sebastian, Ward Member, Rtn. Rajmohan Nair, Incoming Rotary District Governor of 3201, Rtn. Sai Parameshwaran, Past President of Rotary Club of Cochin Technopolis, Rtn. R. Jayasanker, Rotary Foundation Chair of the District, Dr. Junaid Rahman, Shri. Salil Gupta and Smt. Smitha Gupta the sponsor of Ground Floor of Santhwanakendram, Shri. Dinesh P. Thampi, Vice President and Head Kerala, TCS Ltd, Shri. Sunil Balakrishnan, Chief Value Officer, UST among others. Though not present personally, our two major sponsors of Santhwanakendram, Shri. Adeb Ahamed, Managing Director, Lulu Financial Group sent his emissary Mr. Shibu Mohammed, General Manager, Lulu Forex along with his video felicitation message, while Shri. Sanjay Khanna, Executive Director of

strictly adhering to Covid19 protocols.

This 8 bedded fully air conditioned state-of-the-art centre with sophisticated RO and ETP units, with personal entertainment systems with 24x7 power backup, with a dedicated duty doctor has given a completely new dimension to our activities in the field of renal care activities. We thank the Rotarians of Cochin Technopolis for their active involvement in setting up of this dialysis centre and overseeing the installation of all equipment.

We now do routine dialysis for patients with an average of 7 dialysis per day. All patients are selected after strict verification of their socio-economic background

as per the criteria set by the joint committee of Rotary, Cancure and Lourdes Hospital. At present the centre is operational with one shift starting from 07.00 am and the first dialysis process commencing at 08.00 am with a time gap of 20 minutes between each patient's dialysis procedures. It takes 04.30 hours to complete the process of one dialysis including pre and post dialysis observations. Presently, we have 21 active patients enrolled for dialysis, out of which 9 patients

are undergoing the dialysis completely free of cost and 12 patients are being charged a subsidized registration amount of Rs.350/- per dialysis as a registration fee. So far we have successfully completed more than 1150 dialysis till date. Since there are more requests receiving from patients, we are planning to commence 2nd shift of operations very soon. This would mean doubling of our efforts and operational expenses.

Medical technicians and nursing staff are provided by Lourdes Hospital. Cancure has appointed a full-time Doctor and all needed housekeeping and administrative staff at the centre. The centre operates with all Covid 19 protocol in place from Monday to Saturday irrespective of any National/ Festival Holidays. It is noteworthy

to mention that the operations at the centre was not affected even for a single day during this Covid-19 pandemic/statewide lockdown period.

As per the MoU with Lourdes Hospital, Cancure pays Rs. 825/- per dialysis to Lourdes Hospital for the medical support provided by them at the centre. Remaining expenses vis a vis maintenance expenses, salaries of staff, electricity, water and all related expenses are borne by Cancure Foundation.

In order to meet all the expenses and considering the financial constraints of our foundation, all our members are requested to explore the options for the continuous flow of funds to make our way forward smooth and seamless.

SANTHWANAKENDRAM PALLIATIVE CARE CENTRE

Santhwanakendram Palliative Care Centre became functional from 17th February 2021 by initially shifting 3 terminally ill inmates from the General Hospital. Presently we have 12 bedridden inmates and have the facility to add 30 more patients. Ernakulam Government Hospital is the official medical partner for the Palliative Care Centre.

Our palliative care activities were always centered around a team of volunteers lead by Mr. K.J. Peter and his Jeremiah's Home and Bertoni Palliative Care Centre Charitable Trust. Our Palliative Care is now fully equipped and with own Ambulance readily available round the clock to transport the inmates to the hospital in case of any emergency. The support team consists of 15 staff members who are all well trained and groomed to take holistic care of the inmates and available round the clock at the centre. In addition to this our duty doctor at the Dialysis Centre also monitors the inmates of the Palliative Care Centre on a daily basis. Our Life Member and senior physician Dr. M. K. Karunakaran, Dr. C. M. Radhakrishnan, Dr. Junaid Rahman and other doctors from General Hospital also visit the centre on a regular basis and spend time with the inmates and

staff. All staff members and inmates at the centre are in proper uniforms and the premises are kept neat and tidy matching any world class facility. Apart from the staff, there are few volunteers who visit the centre regularly and offer their services to the inmates. While our Foundation provides the space, its electrical and plumbing fittings as well as basic amenities like water and electricity, other operational expenses are being borne by the Charitable Trust run by Mr. Peter. During the year, an amount of Rs. 1 lakh was donated by Cancure to this Trust to help them set up some of the initial equipments. Cancure Santhwanakendram is now a model for any best run Palliative Care Centre in and around Ernakulam District.

Would request the AGM to consider a proposal of setting up a paid Palliative Care Centre at our premises catering to those who can afford to pay for the services in the society alongwith the existing free centre, in order to sustain a fund flow to support the current activities of the Palliative Care Centre. Suggestions and guidance in this regard were welcomed from the members.

MOMENTIVE'S CSR CONTRIBUTION

It is of great pleasure that, Momentive Performance Materials (I) Pvt. Ltd. has contributed Rs.6,50,000/- from their CSR Funds towards Dialysis Centre activities. We place on record our special thanks to Mr.

R. Muthuraman, Director and our Governing Council Member Dr. Binu Joseph for his wholehearted support towards the Foundations who made this happen.

CHARITY PARTNER: UST

With great pride and pleasure we announce that, major IT conglomerate UST has volunteered to partner with Cancure Foundation to support us in our operations of "Cancure Lourdes Dialysis Centre". It is indeed a kind gesture by the CSR officials at UST who have assured us to support the operations of our center partially

and as a token of approval they have disbursed first installment of Rs. 3,00,000/- immediately upon submission of the proposal. We place on records our sincere thanks to the efforts of the team lead by Mr. Sunil Balakrishnan-Chief Value Officer at UST, and CSR Head Mr. Prasanth Subramanian.

RECOGNITION BY MDRT FOUNDATION

MDRT Foundation is the charitable arm of the Million Dollar Round Table, the premier association of Financial Professionals. The MDRT Foundation is committed to support life-changing charitable organizations worldwide. It is of immense pleasure to our team that, MDRT Foundation has awarded Cancure Foundation with their "Quality of Life" grant of US\$ 5000, a great recognition for our activities. The selection for grant was done after extensively scrutinizing various data. We express our special thanks to our Governing Council Member Mr. Santhosh M Sunny who was instrumental in getting this recognition and contribution by the MDRT Foundation.

Mr. Thomas Joseph, President receiving the MDRT Grant from Mr. Santhosh M. Sunny

"ROTARY iRun" BY ROTARY SATELLITE CLUB OF COCHIN DOWNTOWN

The newly formed Rotary Satellite Club of Cochin Downtown launched their service activities by supporting us by organizing a unique virtual solo Run-Rotary iRun during the lockdown times. Nearly 1000 participants from all over 17 countries took part in the run. As part of the proceedings of the event, Rs. 2,50,000/- was handed over to Cancure Foundation by the Club Chairman Rtn. Anil Pai, Club Mentor Rtn. Dinesh P. Thampi and other members of the club.

Hon. Secretary R. Madhav Chandran, receiving the proceedings from Mr. Anil Pai & Mr. Dinesh P Thampi

RECOGNITION BY "GIVE INDIA FOUNDATION" & BANK OF BARODA

It is with great pride to announce that, Give India Foundation has approved Cancure Foundation in its list of prestigious NGO's who can source donations through their campaigns and promotion. Rigorous scrutiny of our operations, financial management and transparency were carried out during their selection process.

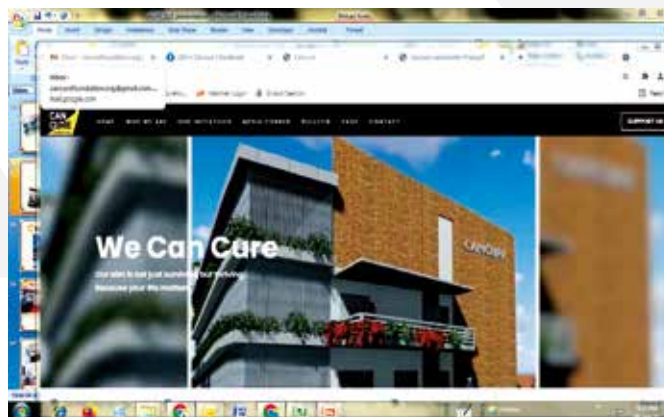

In an extra ordinary gesture, our banker Bank of Baroda has given a special approval to have the exclusive payment gateway for collecting donations to Cancure Foundation free of charges. We express our special thanks to Life Member Mr. Mohandas and the officials at our bank's branch for putting in all efforts to facilitate this free payment gateway. This approval is given to Cancure Foundation as a special case and it shows their confidence in our operations and projects.

SOCIAL MEDIA OUTREACH

Cancure has been effectively using WhatsApp, Facebook and its own website www.cancure.in. We have revamped our website, thanks to the voluntary

contribution of our member Mr. Akshay Vaidian. The Foundation's Facebook page is also being updated on regular basis for all the projects and news.

MANDATORY REGISTRATION REQUIRED FOR RAISING CSR FUNDS BY MCA

As per Notification issued by Ministry of Corporate Affairs Dt. 22nd January 2021, it is mandatory for all NGO's which wants to raise CSR funds to enroll with MCA with effect from 01.04.2021 to get CSR funding. Form CSR-1 is required to be filed pursuant to Section 135 of the Companies Act, 2013 and Rule 4 (1) and

(2) of the Companies (Corporate Social Responsibility Policy) Rules, 2014 as amended/substituted by the Companies (Corporate Social Responsibility Policy) Amendment Rules, 2021. As required, Cancure Foundation has registered with Ministry of Corporate affairs vide **Registration Number CSR00002427**.

NEW REGISTRATION WITH CBDT FOR 80G AND OTHER BENEFITS

Government of India had notified in March 2021 about the need for a new registration procedure for NGOs and Charitable Trusts and other institutions under section 12AB and section 10(23C) of the Income Tax Act.

As required our auditors guided by our Treasurer Mr. Mathew Joseph has done all that was needed for filing the necessary documents and it is our pleasure

to inform that Cancure Foundation is one among the first NGOs who has registered again as per the new directives with Income Tax Department vide **Unique Registration No. (URN) AABTC7227JF20216** valid from AY 2022-23 to 2026-27 (5 years) and thus eligible for all the tax benefits of a bonafide charitable organization.

DONATIONS FROM GOOD HEARTS – OUR LIFELINE TO GO ON WITH OUR GOOD WORK

Though we did not have any specific fund-raising events or programs to generate funds, we receive continued support from our members & many well-wishers. We look forward to more support now. We have our Patron Members Mr. K. V. Narayanankutty and

Mr. Salil Gupta who regularly make a payment every month religiously. We need more of such confirmed contributions to ensure smooth functioning of our operations

DEMISE OF OUR LIFE MEMBER- DR. BENNY PAUL

It is with profound grief we announce the death of our great friend and one of the founding members, Dr. Benny Paul who passed away during last year. The registered office address of our Foundation was

always kept as a premise which Dr Benny Paul owned from where our Foundation Secretariat functioned in its formative years. May his soul rest in peace.

SECRETARIAT APPOINTMENTS

We have a fully functional Secretariat now lead by Mr. Mukundan Mannimmal, General Manager, Ms. Manju Mariam, Partner Relations Officer, Ms. Greeshma, Program Coordinator, Ms. Simi Josy, Centre-In -Charge to take care of the day today

activities of our Dialysis Centre and Ashalatha as housekeeping staff. We also have Dr. Nishanth Krishnan as the full-time doctor at the centre now and had Mr. Shiju T J as our Mammo Unit Driver.

CONCLUSION

As I conclude, on behalf of the members of the Executive Committee, I profusely thank each and every member of the Governing Council as well as other members who supported the various activities of the Foundation so wholeheartedly. We profusely thank the meticulous and sincere efforts put in by our Treasurer Mr. Mathew Joseph and his office in maintaining our books so perfectly. We also place on record our immense gratitude to each and every donor from within and outside Cancure Foundation, whose contributions helped us in our mission to help the needy.

The Secretariat team too deserve their share of recognition for executing our noble mission throughout the year. Various Rotary Clubs and officials of Rotary District as well as our other local partners have been so helpful in carrying out our operations. The medical team from Lourdes Hospital is actively involved in the day to day operations of the Dialysis Centre, also the teams from General Hospital and Amrita Institute of Medical Sciences have been a constant support for all our activities. I take this opportunity to thank them all on behalf of Cancure Foundation.

The past year was a gamechanger for all, and we have done our best to realize our noble dreams in spite of all the adverse conditions all around. Before concluding I wish the new committee and the office bearers all success in their endeavors to take Cancure Foundation to scale greater heights - as a great organization deep-rooted in its values of ethics, integrity, transparency and accountability, and touching those challenged lives who are in need of support, and help in the promotion of awareness on early detection and prevention and treatment of cancer and renal illnesses, and providing palliative care to the terminally ill.

R. Madhav Chandran

Honorary Secretary
